The Giganet full range of fibre optic patchcords and pigtails (ST, SC, LC) are made from high quality grade Multimode and Singlemode fibre and connectors ensuring maximum performance with minimum insertion loss and back reflection. The patchcords are environmental friendly, reliable, precise dimension with wide selection of ferrules and are individually tested and certified. The Giganet fibre patchcords is your best choice for Telecommunications, Local Area Network, CATV, Fibre To The Home, Fibre optic sensors and Test equipment applications. The Giganet pigtails are available in both Multimode Fibre and Singlemode.

LC-SC   SC-ST   SC-SC

FEATURES
